

TRIDENT GLOBAL CORP

10 Reasons to Use a Professional Property Manager

1. You don't need to show the property.
2. You don't need to fix the toilet or do maintenance.
3. You don't need to answer emergency call in the middle of the night.
4. You don't need to get calls from the HOA when a tenant is breaking rules.
5. You don't need to do background or credit checks.
6. You don't need to do walkthroughs and inspections.
7. You don't need to handle an eviction.
8. You don't need to collect the rent.
9. You don't need to know all the real estate laws.
10. You can spend more time acquiring additional properties rather than managing them.
