Hi Sean:

I bet you think this email contains the letter of reference. But I need to think of the exact wording that will tell the whole world what a wonderful man and agent you are! What you did for us, especially during these hard economic times, truly exemplifies your ability as a real estate representative. Perhaps that's because of your honest and forthright nature, and how extremely organized you are, both in your paperwork and getting back to returning phone calls almost immediately.

Anyway, I need to be satisfied that the reference letter I'm about to send you will truly represent everything Yoram and I are grateful for.

Sincerely,
sylvia
