To Whom It May Concern

When my husband's health began to suffer and we felt we could no longer continue working at the print shop. Once we decided to sell the shop we contacted Sean Ebelstein to help us out.

Sean was very professional and competent and listened very carefully to our expectations. He made some very astute suggestions explaining how we should proceed and gave us a very clear idea of how much we should expect in relation to how soon we wanted to sell. That advice was in itself the most accurate estimation and shows how well Sean knows the business of selling companies.

I would highly recommend Sean's services as a business broker to anyone and I would stand behind his judgement and advise 100%.

Sincerely,

Tehmi Damania
