Sean Edelstein
Prudential Business Sales

Dear Sean:

Thanks for your help with the sale of my store, Pet Country in Lake Forest, California. You told us it would be a quick sale, but we never thought it would be as quick as it was. You were true to your word in every aspect of our relationship.

We very much valued the quick sale because as you know, we needed more time to spend with my ailing Mother, than the business allowed me to have. You really helped my family.

Thanks again for all of your help.

Sincerely,

Julie Walfield
