Dear Sean~

I am finally getting a chance to contact you after a long day in court (we were there until after 5) and then getting my daughter and settling her down. The words "thank you" do not even do justice to what you did for me today. I am SO grateful. You were amazing and I cannot tell you how much I appreciate what you did for me such a selfless and kind act. I am truly grateful.

I will definitely be recommending your name to people that I know—attorneys, people in business, etc. You can be sure that I will be spreading the word about you and what you did.

Sean, I thank you from the bottom of my heart. You have helped make the future for my daughter and me so much brighter.

A million thanks!!!!

Warmest Regards,

Anne
