

Sean Edelstein
Prudential Business Sales

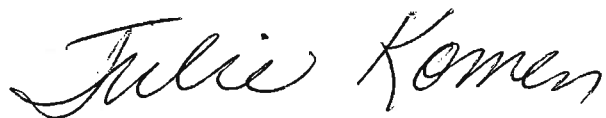

Dear Sean:

I wanted to thank you for helping me sell my flower shop. I needed someone knowledgeable and capable of handling the sale in a timely and professional manor. Running my shop did not allow me to focus on all the necessary issues to deal with in selling my business. I also had some issues with my books and records, which needed to be addressed and dealt with as part of the sale.

Not only did you find a good Buyer, you sold the business for all cash, which was my preference. You also helped the Buyer understand the complications of the books and records. The whole process went smoothly.

Overall you did a great job and handled everything professionally and timely and I would highly recommend you to anyone wanting to buy or sell a business.

Thanks again for your help,
