

## Testimonial from Current Resident of 110 Livingston Street

I made three attempts to refinance my unit at 110 Livingston Street with no avail. Three large banking institutions would not recognize 110 Livingston Street as a safe investment. My last attempt was Home Owners Mortgage. After a quick intake process/application, I was guaranteed with a good faith estimate. Rolan and his staff were professional and timely. More importantly, they believe in our building and are willing to lend. Finally, we can take advantage of the low interest rates, enjoying our homes with a new level of confidence. Thank you Rolan and Home Owners Mortgage.

Sincerely,
