

You are invited. . .

S.E.O. & Associates Real Estate invites you to attend a fun and exciting home search experience – the S.E.O. Personalized iTour. Whether you are just starting your search or have been looking for months, the iTour allows us to help you find the home that is just right for you! In the comfort of our office, we will search the MLS on a big screen allowing you the opportunity to experience numerous homes inside and out, all over the Metroplex – saving you time and energy!

When: Just make a reservation that fits your schedule! We are available for iTours during the week, in the evenings, and on the weekends.

Time: The iTour usually takes about 1 hour and oh how time flies when you are having fun and being efficient and effective!

What Next: Private showings of the homes you are interested in can be arranged, sometimes even the same day!

Refreshments will be served.

RSVP: Call 817.431.6500 today to set up your own personalized iTour or email your reservation request to scott@seoproperties.com or liana@seoproperties.com.

We're ready to roll out the red carpet for you!
