

How did Colonial Credit, LLC help you? Please explain.

Colonial Credit helped me because they were the third company I tried to refinance with. The other two companies dropped the ball - either not calling back - not being accurate figure wise - charging more than they said. Colonial was always in touch w/me the figures were always accurate and there were no hidden surprises. They got the deal done when others could not.

Did you save money on a monthly basis? Did you get cash back? Did you consolidate any bills? Did you shorten your term? Please explain.

I ended up consolidating my debt - getting a fixed rate / and took a little extra cash out.

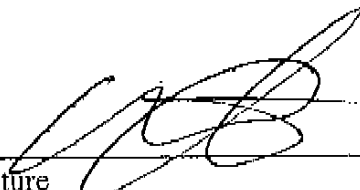

Would you recommend a friend to go through Colonial Credit, LLC for mortgage financing? Please explain.

I would ~~definitely~~ absolutely recommend Colonial + have to family members + friends. My family members also used Colonial for a line of credit per my ~~recommendation~~ recommendation.
