

How did Colonial Credit, LLC help you? Please explain.

Colonial Credit LLC allowed us to obtain cash to assist in paying for a large family event (Bat Mitzvah). We shortened the term on our loan, lowered our ^{9%} rate and our monthly payment amount was about the same as before our ref.

Did you save money on a monthly basis? Did you get cash back? Did you consolidate any bills? Did you shorten your term? Please explain.

Our monthly payment remained about the same but we were able to get a cash out, we shortened the term on the loan, our ^{9%} rate was lowered and Stephen showed us how to make additional principle payments. This further shortens the term on the loan and we save thousands in interest payments.

Would you recommend a friend to go through Colonial Credit, LLC for mortgage financing? Please explain.

Absolutely. I referred a co-worker and Stephen and his staff were able to assist this person in stabilizing their finances by putting them in a mortgage plan that seemed "custom" made for them.

I continually recommend Colonial Credit LLC to anyone looking for a mortgage.
