

How did Colonial Credit, LLC help you? Please explain.

I was helped w/ professional
1 on 1 service that put
me and my family in a position
to have my house paid off
by the time we reached
our mid 40's instead of 60
yrs old!

Did you save money on a monthly basis? Did you get cash back? Did you consolidate any bills? Did you shorten your term? Please explain.

We saved \$ by consolidating some
debt as well as obtaining some
cash out for a newer vehicle and
home improvements. We had 13 yrs left
and shortened the term to 10 yrs
we went from 6.75% to 5%

Would you recommend a friend to go through Colonial Credit, LLC for mortgage financing? Please explain.

We would definitely recommend friends
to go through Colonial Credit and
do their service was better than
our company we had used before
which we talked to 3-4 different people
in the same company. They also offered
me a better interest rate than my current
company ~~with~~ the 1 on 1 service everyone
deserves.
