Closing Made Easy®

Fast. Easy. Effortless. Experience a simple closing process that both you and your customers will **love**.

Order Easier. We believe in ***funded results, not closing excuses*** – get your loans **closed**. Upon receipt of any order, our web-based transaction management system will instantly coordinate all the necessary title, tax and payoff tasks while simultaneously collaborating with all vendors to get your loans closed **without delay**.

Close Faster. With a vast network of seasoned closers and a dedicated staff of regional title vendors, you can now **originate even more loans**. **We'll do the rest.**

One-Click Everything. Enjoy the industry's **best** web-based settlement management system to monitor all your closings in a snap. From **anywhere** and at **anytime**, just click to review your loan **pipeline**, closing **calendar** or **locks** and instantly access your favorite lenders' websites to **price**, **register** and **lock** your loans.

*We make the process **So Simple, Just Click-n-Close.***
