Terry,

I wanted to take the time to thank you for being a part of my continued success at Coldwell Banker United. It's comforting to know that when I refer my Buyers to you, that they will be treated fairly and professionally, and they won't be exposed to the bait and switch that is prevalent in your line of work. Your ability to stay on top of this ever changing mortgage industry is a testament to your hard work and due diligence.

Knowing that my clients are getting top shelf service on their loan allows me to focus on my job, and not have to micro manage the mortgage process.

Thank you for your exceptional service to my clients and I truly appreciate you closing my contracts on time and many of them early.

Keep up the good work.

Very Best Regards,

Chris Domangue
