TO WHO IT MAY CONCERN

I have known Terry Traylor for the 6 years I have been in Real Estate he has helped a number of my buyers to fund their mortgages. He has always worked hard to accommodate the needs of our mutual clients from introduction to closing and funding. He has gone the distance and been at the closings to ensure that the buyer's needs are all fulfilled in a timely manner.

As a Real Estate agent I have no hesitation is recommending Terry to my buyers even if he can't offer the best rate at the time he is always willing to afford them the opportunity to give them an estimate for the purchase of their new home.

My information is attached if you would like to call me I would be very happy to talk to anyone who is considering using Terry.
