

Dear Amy -

10.28.02

Thank you again for all of your help over the past few months! You made what has been described as a hellish, incomprehensible process into a fun, pleasant, and semi-comprehensible one (although I'm sure that if/when I go through it again I'm not sure how much I'd remember...).

---

I really appreciated all of your guidance in terms of letting me know what would be needed by whom+when.

As I said, I will try to pass your name on to as many people as I can and will be happy to serve as a reference. And thanks for the necklace - it's beautiful! Sincerely -  
Ethan
