In order to process your loan application, **InterBanc Mortgage** needs to order a credit report (Your loan agent will inform you what type of report is necessary for the loan which you are applying).

The credit report must be paid for at the time of the request. The credit reporting agency, **Southwest Credit Services Inc.**, accepts payment by credit card.

The fees for credit reports are estimated as follows and are subject to change:

Individual (One Person) - \$18.33 + \$2.00 service charge = \$20.33
Joint (Married Couple) - \$25.66 + \$2.00 service charge = \$27.66

RMCR (Full report, required by some lenders of if credit needs repair)

Individual or Couple - \$60.00 \$2.00 service charge = \$62.00

***Additional charges may apply for changes to a credit report. You will be informed if derogatory information requires updating which could result in additional charges for which InterBanc would notify you of the amount to update your report and use the same credit card information for billing.**

InterBanc Mortgage will provide you with a copy of your credit report after it is received. If you do not receive a copy of your credit report via fax or mail within one week of order, please call or write us at:
