How do I sign up?

In order to sign up, please go to www.ballardrealtylv.com and click on the "Pay your monthly rent online" button on the bottom of the home page. It will ask you to enter in the address for which you are making payments for and then will link you to that property in the system. Once you are logged in, select 'Make Payment' to make a payment or "Automatic Payments" to set up an automatic debit each month. It's that easy!

How does PayLease work?

Once you are a member of PayLease, you can go to www.ballardrealtylv.com and make payments to your property manager with either a credit / debit card or an e-check from your checking account. Standard processing takes 2-3 business days for a payment to process to your Property Manager. If you select ExpressPay, your payment will be processed for next business day deposit. Your Property Management Company is notified of your payment initiation date and time. Business days include Monday-Friday excluding weekends and holidays. It is important to remember these processing times when making a payment ON TIME.

Is there a contract or can I cancel at any time?

With PayLease there is no contract. PayLease is an option for you to make your lease payments easier. If you opt to be a member of PayLease and still send in a paper check, you will not incur any monthly fees for not using the service. Fees are incurred only when you process a payment.
