### Definitions

1. If the fee includes the initial certification plus life of loan service, and the breakdown of costs between the two are not or cannot be determined to show as separate costs on the GFE & HUD-1, then the entire fee must be disclosed as a prepaid finance charge.
2. Must be properly disclosed on the face of the TIL, or other forms as permitted by Regulation Z, such as the HUD-1, Good Faith Estimate, or Itemization of Amount Financed.
3. Must have proper disclosures on TIL stating that hazard insurance may be obtained from anyone the borrower chooses. If obtained through creditor, cost of hazard insurance must be disclosed.
4. Must not be required by the creditor and proper disclosures are on the TIL; a) disclosed as not required; b) disclose premium for initial term; c) customer signs an affirmative written request.
5. One Rate Fee is the lump sum amount of all life charges that apply to the loan. If a breakdown is not available, the entire amount must be treated as a finance charge.
6. Work Fee - per Missouri law, title agent must disclose the cost associated with title examination.

Jim,

Not sure what you are wanting. I cannot give you the you we use for figuring high cost. This is an internal you.

Here is a copy of the Finance & Non Finance charge chart. These are fees used in figuring it. If you have access to our sell us website these should be out there.
