Midwest Home Funding LLC
Ms. Denise Patrick
220 S. Main Street
Suite 304
Lombard, IL 60148

Dear Ms. Patrick:

It was a pleasure to meet you at the recent program in Warrenville at VFW Local 8081. As I mentioned when we spoke, I am an attorney with experience in estate planning, retirement planning and assisting the disabled. My experience includes drafting trusts to provide estate planning without loss of governmental benefits, drafting retirement plans and forming corporations.

Please consider me a resource in your efforts to help the newly discharged veterans "cut through the red tape" and become informed about their rights and benefits. In addition, if there is a need for assistance with future events, please do not hesitate to call.

My father gave his life for our country, and several members of my family are disabled. If there is a way for me to use my expertise to assist others, and in some small way repay the debt owed to the veterans for their service on behalf of our country, I would be honored to help.

Very truly yours,

Beverly M. Helm
