Terry,

Thanks so much for your recent services helping Yvonne and me refinance our home. You arranged terms - interest rate and fees - lower than anything I could find on the Internet and you expertly managed what seemed to me a complex process faultlessly from beginning to end. All we had to do was supply information and sign the papers. I'll recommend your services without reservation to friends and family when they're looking for home financing.

Thanks again.

John Ashenhurst
