Subject: Website Form Submission - SUBMIT YOUR TESTIMONIAL

John is your agent if you:

- 1) want to get more than you thought you would get,
- 2) want to feel comfortable with all the craziness you go through,
- 3) want to close on time, etc.

He actually turned a potentially anxiety ridden experience into a fun time. I didn't think it was possible.

Oh, by the way. Skip the discount brokerage. We tried and you definitely get discounted service with it.
