

To those in need of a great Realtor...

John Caliendo has represented my family's interest in two Manhattan Beach transactions, performing as a listing agent on one property and as a selling agent in the other.

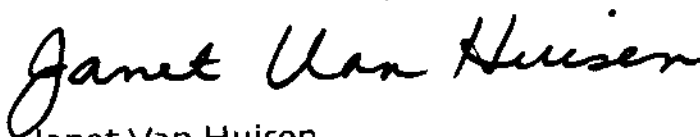

His business acumen, creativity, and excellent service are exemplary. He is efficient, organized, focused, hard-working and a very nice person.

John knows when to be aggressive and when to be passive, while always showing respect and professionalism to those involved. And he doesn't play games; He does business in a straight-forward manner.

I strongly recommend that you tap into his energy, positivity, and success.

If you're looking for an outstanding Realtor, you should give him a call.

Respectfully,
