

I would
thank you
here or there.

I would
thank you
anywhere!

I would thank you on a boat,
I would thank you
with a goat,

In the park
or at the zoo...

P.S. You can take the Teacher/Principal
out of the School but it's
very hard to take the School
home out of her!

'Cause that was
awfully nice of you!

Adam, thank you for
the many ways you
took care of me
during my loan
process. Love,
Martha
