"ABC" was founded with one purpose in mind – helping merchants grow their business. We focus on serving the financial needs of small and mid-sized businesses as a direct provider of cash advance services. We understand the need for quick and easy access to cash to keep a business strong and successful.

## What We Do

"ABC" provides rapid cash advance funding based on estimated future credit card sales. We do this by purchasing a fixed amount of future credit card sales at a discount. Once approved, lump-sum funding is sent to the merchant. Repayment is flexible and is completed as a small percentage of future credit card sales. There are no fixed monthly payments!

## Turn your future credit card sales into **CASH TODAY!**

"ABC" specializes in getting the tough deals done. Banks will often not fund small and mid-sized businesses. Many merchants go through a month-long application process only to be declined. - Loan Amounts of \$10,000 to \$500,000.....and more
- Approval decisions typically within 24-48 hours of a full submission
- Funded typically within two weeks
