

# Unit S-1 Ft Morgan Townhomes

...a dream.

...the sun's seductive warmth embraces your face with a lover's touch.  
...the capricious seabreeze taunts you with its feathery touches.  
...a gentle susurrus of lapping surf and rustling palms.  
...the occasional moan of a lonely foghorn out at sea.  
...hues of blue and sand.

Things become clearer...in perspective.  
The pace slows.

Peace....

...a dream become real.
