Draw Schedule
Application is made for payment, as shown below, in connection with the contract.

Line Number	Payee	Amount ($)

TOTAL in the amount of ($) _____

Contractor Signature: _____ Date: _____

By signing above, Contractor hereby certifies to Chase that the work and materials set forth in the above request have been completed in accordance with the plans and specifications for the project and meets code and all other guidelines established by the governing municipality. The above signed further warrants that all suppliers and subcontractors have been paid for work and materials on previous draws.

Borrower Signature: _____ Date: _____

By signing above, Borrower(s) hereby certifies to Chase that the work and materials set forth above have been thoroughly reviewed and are acceptable to Borrower(s) and the work and materials on site have been satisfactorily completed and/or supplied. Borrower(s) hereby approves this draw request for funding by Chase and will, in no way, hold Lender responsible for consequences which may arise as a result of this release of funds. Further, any notices, preliminary notices, lien claims, or any additional documents which Borrower(s) has received which are related to any claims associated with the construction, have been included with current or prior draw requests.

NOTE: Draw processing and release of funds will be delayed if the appropriate draw procedures are not followed.
